

# Crazy Bulles Sparkling Rose 2022

## Region

Méditerranée is an IGP title covering wines that are produced in a large area on the southeast coast of France, roughly corresponding to the Provence wine region but also includes a part of the Rhône Valley. The IGP shares its land with multiple AOC appellations as varied as Châteauneuf-du-Pape, Bandol and Côtes de Provence. It can broadly be described as having a warm Mediterranean climate, ideal for growing healthy ripe grapes.

## Producer

Domaine Tropez was born in 1996 and since then it has assembled a number of AOC Cotes de Provence vines, covering over 40 hectares. Domaine Tropez wines are bright and lively as a result of the strong influence of the clay and limestone soils along with the Mediterranean climate. The vineyard has undergone major reconstruction calling for a large investment to build a state-of-the-art wine cellar. In 2020, they were officially certified sustainable, and they continue to work with organic practices.

## Tasting Notes

Pale pink colour with rose gold reflects. Charms the nose with floral red fruit aromas and citrus. A mouth filling fine sparkles cascade across the palate with generous flavours of berries and tangerine zest. Refreshing, with a finish full of finesse.

## Food

Delightful as an aperitif or would pair well with seafood and salad dishes.
