

Mercurey Les Terroirs Domaine Sandrine Deletang 2022

Region

This region includes the southern Burgundian vineyards of Givry, Mercurey, Rully and Montagny which are all close to the town of Chalon just 30 minutes south of Beaune in the heart of Burgundy. Very rural and unspoilt these vineyards are planted with Chardonnay & Aligote for whites and Pinot Noir for reds. The soils are a mix of limestone, schist and clay, and when combined with a warmer climate than Burgundies from further North the wines have a fuller, riper character. These excellent wines generally offer attractive early drinking, that are often a great taste of 'Classic Red & White Burgundy'.

Producer

Sandrine Deletang et Fils are based in the south of Burgundy in the village of Barizey, very close to Chalon sur Saone. This is a small family domaine and has been run by Fabrice Masse since 2000. Their vineyards are spread across Cote Chalonnaise now holding 15 hectares in total and all farmed with sustainable viticulture using no fertilizers or sprays so as to not negatively impact the environment or soil.

Tasting Notes

This is an refreshing wine with an intense floral nose which is followed by flavours and aromas of peach and apple and a nice minerality. This wine has great complexity and an elegant finish.
