

1270 A Vuit Red Priorat DOQ Organic 2016

Region

Autonomous region of eastern Mediterranean Spain, responsible for most Cava and the prestige table wines of Penedes and Priorat. The small region of Priorat has just 1700 hectares under vine, producing some of the most sought after wines from Spain. The vines benefit from a hot continental climate and are planted on an exceptional rich schist terroir, which contribute to the much acclaimed 'mineral rich character' of the wines.

Producer

The Hidalgo Albert family has been working in the world of wine for over 25 years. Their approach has always been to focus on creating quality wines from the south zone of Catalonia. The Hidalgo Albert family has been working in the world of wine for over 25 years. Their approach has always been to focus on creating high quality wines from the south zone of Catalonia. The name "1270 a vuit" is an historical reference to the origin of the village where their vineyards and cellar are located. The village called POBOLEDA was founded as a settlement by French monks in 1190 and then they moved to the monastery they built very near. The settlement was left then to people that became farmers for the monastery. In 1270 the monks gave a town charter to 8 families that were living there and working the lands of the monks. That is the word "A vuit" it means "to eight". Then the families started to own the houses where they were living and some of the lands they were working, so that year is considered the foundation of the village.

Tasting Notes

Made from a blend of Garnacha Negra, Syrah, Cabernet Sauvignon, Merlot and Carignan and all picked by hand. This full bodied Priorat is fermented in barriques and spends a further 12 months ageing in them. The result is a complex aroma of ripe fruits with anise and smokeyness from the well integrated oak. The palate is very intense, but the wine has spent an extra 18 months in bottle which smooths the tannins leading to a lovely long, fresh and balanced finish.
