

Romerito Palo Cortado NV

Region

The Jerez Region is situated in the north-eastern corner of the province of Cádiz, in the extreme south of the Iberian peninsular. Jerez de la Frontera is the largest city in the area and capital of the wine region to which it lends its name, just a few kilometres from Jerez, stands the historic town of El Puerto de Santa María and completing the `Sherry Triangle` is the home of Manzanilla; Sanlúcar de Barrameda.

Producer

Covi Jerez is a co-operative which represents growers from all of the Sherry Triangle. It is committed to respecting the vineyards and wine growers in the Cadiz province. In 2008, Covi Jerez decided to develop its own brand of wines, vinegars and dressings and enter the market to compete as another winery, they then created their high quality range of sherries `Mira la Mar`.

Tasting Notes

Palo Cortado's are a very rare type of sherry; initially aged biologically but inexplicably it loses its flor and is allowed to develop oxidatively. This wine has been aged in a solera system for around 18 years. A pale mahogany in colour with notes of walnuts, orange zest and dried fruits with a slight salty tang on the finish which lifts the palate. Very long and complex.

Food

Perfect as an aperitif or when served with mature cheeses, nuts and foie gras. Serve at room temperature.
