

# Barocco Prosecco Spumante Extra Dry Rose NV

## Region

The Prosecco DOC covers the north-east of Italy and entire regions of Veneto and Friuli with warm and moderately continental climate. The grapes are mostly grown on the flat plain though the DOCG covers the hillier area allowing grapes to have a slower ripening period creating wines of higher acidity and more intense fruit. Glera is the Prosecco grape but the style can range from Brut Nature to Demi-Sec and Frizzante to Spumante.

## Producer

The company was born as a retailer in 1928 in the Veneto region for sales of wines in casks and demi-johns to restaurants and small retailers. The company is now run by the third generation and from their roots in Veneto they now have a portfolio of wines produced in some of Italy's finest regions. Botter pride themselves on their focus of sustainability, going beyond reducing emissions, production of waste and non-renewable energy usage and taking a responsible approach for the whole production chain.

## Tasting Notes

Prosecco Rose was officially approved by Italian government and the EU in 2020, meaning this is an entirely new concept for 2021. Made from a blend of 85% Glera (the prosecco grape) with 15% Pinot Noir for colour, this fresh and delicate rose is a delightful aperitif. Delicate and complex bouquet with fruity notes that remind of peach, green apple and lemon. Floral notes of acacia and rose. A lively mousse and fresh acidity complement the notes of strawberries and pink lady apples.

## Food

Enjoy rosé bubbles as an aperitif but excellent with fish soups, grilled fish and courses based on mushrooms.
