

# Organic Pinot Noir Maycas de Limari Emiliana 2019

## Region

The cool Pacific coastal Limari Valley, isolated from Chile's traditional vineyards, lies 5 hours drive north of Santiago, towards the Atacama Desert. It has only recently been planted with premium cool climate varieties but indications hint at future grandeur. Pungent aromatic Sauvignon Blanc, subtle perfumed Pinot and spicy Syrah are the early produce of juvenile vineyards.

## Producer

Emiliana Organic Vineyards have a presence in Chile's most prestigious wine valleys, from Limari to Bio Bio. All organic wines grown in a way that preserves the natural balance of life and helps sustain the environment for the future. A key focus is to use no chemicals, no synthetic pesticides, fertilisers or additives to ensure better quality and sense of place. Maycas de Limari wines are part of this range, coming from the Limari region known for its elegant expressions of Chardonnay and Pinot Noir.

## Tasting Notes

Bright ruby-red colour of medium intensity, this Chilean Pinot Noir shows vibrant red fruits, such as cherries and raspberries, with notes of tobacco and dry leaves. It has a medium body with fresh acidity and ripe tannins for structure to compliment the concentrated fruit. Using gravity in the winery to assist the wine movement, the wine goes through open top wooden and concrete tanks for maceration followed by spontaneous fermentation using native yeasts it is then aged for 18 months in different barrels and blended for a complex and rich wine.

## Food

Charcuterie, goat cheese, duck prepared in different ways. Dishes based on mushrooms, or truffles compliment this wine.
