

Forty Hall Vineyards Bacchus, London 2019

Region

If you have never tried an English wine before – well now is your opportunity. The vineyards of England are generally located in the warmer southern counties where the milder influences of the gulf stream have an important effect, as our northern hemisphere vineyards need a longer cooler growing season than in Europe to produce top quality grapes. More than 500 vineyards are in production across the UK and bottled annual sales has reached 3 million bottles, with Chardonnay, Pinot Noir and Bacchus the most planted varieties.

Producer

Forty Hall Vineyard is an exciting social enterprise which has established a 10 acre organic vineyard in north London. Run and managed by local people, the vineyard is the first commercial scale vineyard in London since the middle ages. Situated on Capel Manor College's Forty Hall Farm, they are certified organic and dedicated to demonstrating environmentally sustainable farming and vine-growing practices.

Tasting Notes

This English organic Bacchus is fresh with a punchy bouquet of blossom, green apples and gooseberry. The palate is light and dry with notes of grapefruit, honeysuckle and a crisp, zesty acidity.

Food

A great aperitif or pair with crayfish and summer salads.
