

Cabernet Merlot Fleurs de Terre 2023

Producer

The 'Duc de Capelle' range of French regional wines were created by the buying team to satisfy the demands of discerning restaurateur. Each autumn, as the new vintage fermentations are completed, the Capelle blends are created from the selected vats submitted by regional producers from Southwest France and northern Languedoc. Here, the grapes benefit from the warm temperatures and achieve full ripeness, and protective winemaking ensures these fruity aromas and flavours shine through in the wine. Each of the wines have clearly defined varietal character and universal appeal. A Duc de Capelle wine has twice been selected into the 'Top 100 Vin de Pays'.

Tasting Notes

This elegant Cabernet Sauvignon and Merlot blend is an even split of these classic varieties having perfectly ripened in the Languedoc. The grape must undergoes a long fermentation in stainless steel for soft extractions of colour and flavour. This is a bright juicy wine which reflects the fresh fruit character and natural structure of these grapes. The nose lovely aromas of blackberry and black cherry. The palate is very rich with fresh blackcurrant, violet and some strawberry with velvety tanning and fresh acidity. Well balanced and easy drinking with an elegant finish.
