Tasting Notes

This Chilean Pinot Noir made from grapes which have benefited from the organic and sustainable farming practises used, shows a vibrant, fruity expression of the variety. Aged mostly in stainless steel tanks to retain the fruit characteristics of the wine, 10% also sees 10 months in French oak barrels. Aromas of berries, sweet vanilla and soft floral notes gives way to a fruity palate, velvety texture and an intense finish.

This wine is ideal with fish and shellfish cooked with creamy sauces or butter. This wine will equally pair well with white meats, or as an aperitif served with Serrano or Prosciutto.
