

# Whispering Angel Rosé, Chateau D'Esclans 2023

## Producer

Located in the heart of Côtes de Provence, 40 kilometers north of the coast above Saint Tropez (up in the rocky limestone hillsides of the valley of Esclans away from the sandy flatlands). Today, Château D'Esclans consists of 140 hectares of vineyards (producing estate vineyard and bottled rosés). The total property has 427 hectares. This estate is in the heart of the Esclans valley and has had many owners over the years, but what would change its destiny was the arrival of Sacha Lichine in 2006.

## Tasting Notes

A pale pink with a perfumed bouquet of elegant summer fruits and floral nose. The palate is concentrated and elegant with fresh red berries and hints of cherry balanced by refreshing crisp acidity, with a smooth and round finish. This superb provenance rosé is made from a blend of old vines on clay and gravel soils, using techniques to ensure the highest quality by picking and destemming the grapes and using optical sorting technology to make sure each individual grape is the best. The juice is vinified in stainless steel to preserve the fresh fruits with 'bâtonnage' (stirring) of the yeast lees to make a fresh and round wine.

## Food

Whispering Angel is extremely versatile, it can be enjoyed alone or pairs beautifully with mediterranean cuisine and also Thai, Vietnamese or Sushi.
