

Organic Cabernet Sauvignon Paraiso Sur Emiliana 2022

Producer

Emiliana Organic Vineyards have a presence in Chile's most prestigious wine valleys, from Limari to Bio Bio. All organic wines grown in a way that preserves the natural balance of life and helps sustain the environment for the future. A key focus is to use no chemicals, no synthetic pesticides, fertilisers or additives to ensure better quality and sense of place. Maycas de Limari wines are part of this range, coming from the Limari region known for its elegant expressions of Chardonnay and Pinot Noir.

Tasting Notes

Made from 100% Cabernet Sauvignon, this certified organic wine is blended between 20% aged for 6 months in French Oak and 80% aged in stainless steel. The wine that spends time in oak adds a layer of complexity and roundness to the wine giving hints of vanilla and spice. The stainless-steel aged wine provides a ripe, fruity character to the end product with notes of redcurrants and plums. Silky on the palate with well-integrated tannins, the finish is fruity, juicy and persistent.

Food

An ideal pairing with red meats such as grilled ribs or roast beef or with a platter of ripe cheeses.
