

Chateau Beaumont 2020

Region

Haut-Medoc is the large southern section of the greater Medoc district of Bordeaux in south-western France and also the name of the appellation that covers the vineyards here. It accounts for two-thirds of the Medoc peninsula and produces more fine wine per acre than almost anywhere else in the world.

Tasting Notes

A consistently fine estate which stands on the gravelly Médoc plane looking out over the Gironde. The vineyard is predominantly planted with Cabernet Sauvignon 65% and Merlot 30%, combining to give typically vigorous blackcurrant, plum and spice scented wine with firm yet supple tannins.

Food

Great with game or Beef Wellington.
