

# Thomson & Scott Noughty Sparkling Chardonnay N.V.

## Producer

Amanda Thomson was voted one of Business Insider's Coolest People in Food & Drink 2019. Leading the global shift to alcohol-free drinking, Thomson recently launched game-changing Noughty, the first top quality alcohol-free, organic, vegan, halal, low sugar sparkling. Amanda is also driving the debate for greater transparency in wine production and labelling and wants consumers to push to know what's in their bottle.

## Tasting Notes

Traditional winemaking in stainless steel vats, de-alcoholised by vacuum distillation and then the wine is lightly carbonated. Elegant pale colour with a crisp and ripe apple scent accompanied by a touch of sweetness. Subtle flavours with a lingering finish.

## Food

Great alternative to wine for aperitif and party nibbles such as chicken or plaice goujons and goats cheese tarts.
