

Thomson & Scott Noughty Sparkling Rose N.V.

Producer

Amanda Thomson was voted one of Business Insider's Coolest People in Food & Drink 2019. Leading the global shift to alcohol-free drinking, Thomson recently launched game-changing Noughty, the first top quality alcohol-free, organic, vegan, halal, low sugar sparkling. Amanda is also driving the debate for greater transparency in wine production and labelling and wants consumers to push to know what's in their bottle.

Tasting Notes

Beautiful classic rose´ in colour with a scent of freshly picked berries. The balance between sweetness and acidity is in perfect harmony.
