

Whale Point Merlot 2024

Region

Macedonia has a rich winemaking history, with the oldest archeological findings dating back to 13 century b.c. Today, Macedonia has around 24,000 ha of vineyards, the two main varieties grown are Vranec (red) and Smederevka (white). International grape varieties are being increasingly planted such as; Merlot, Cabernet Sauvignon, and Pinot Noir from the red and Chardonnay, Riesling, and Sauvignon Blanc from the white varieties.

Producer

These wines have been specifically chosen for Ellis by our team of buyers. The focus of this range is to create high quality wines which capture the quintessential characteristics of varietals from around the winemaking world. As sustainability is something very close to our hearts here at Ellis, these wines have been shipped in the most environmentally friendly way and bottled at a carbon minus bottling facility.
