

Villa des Nymphes Organic Ventoux Blanc `Oceane` 2023

Region

The Southern Rhone is home to many famous appellations with a great variety of soils and microclimates, though in general sees ideal growing conditions that are warm and dry, with the Mistral wind proving a defining feature. Grenache forms the backbone of southern Rhône blends, including Châteauneuf du Pape, Gigondas and Vacqueyras. With a range of varieties grown, the region sees a range of styles produced from quality red and white wines to the aromatic dessert wine Muscat de Beaumes de Venise.

Producer

The family owned domaine is situated in the very heart of the Cote du Rhone, by the picturesque village of Seguret, and flanked by the vineyards of Gigondas. The owners and 5th generation of the family, Jean-Pierre Verdeau and his son-in-law, Alex Suter, are personally involved at every stage of the wine's making. Harvesting grapes from vines averaging 50 years old, their care and attention to detail have helped craft a wine of great balance and regional character. They have been certified sustainable since 2018 and in conversion to being organic for the 2023 vintage.
