

Casal Piano Organic Rosso Piceno Montepulciano Sangiovese 2023

Region

The Marche region stretches east from Tuscany and Umbria to the Adriatic coast, from rolling hills to coastal plain, resulting in marked differences in climate. It is famed for producing Verdicchio wines of richness and great character, seldom found in other Italian white wines, as well as outstanding Montepulciano red wines. Marche's winemaking heritage spans thousands of years and has been influenced, among others, by the Etruscans, Romans and Lombards. The presence of these various cultures goes a long way to explaining the breadth of viticultural tradition and wine styles in the region. Due to the influences of the Apennines, the Adriatic and the region's rivers (the Metauro, Potenza, Tronto and Nera), there are various climates at work in Marche.

Producer

Tenuta dell'Ugolino, owned by Petrini's family, was born in 1980 as a traditional farm estate in Marche; day after day the wine department became the principal activity. Located in the rolling hills of Castelplanio, in the heart of the appellation "Verdicchio dei Castelli di Jesi" with 13 hectares of vineyard. The Estate's goal is producing quality organic wines through the respect for the land and the environment. Organic since 2017, and their first wine 'Le Piaole' was released in 1993.

Tasting Notes

Rosso Piceno DOC is a large area in the eastern part of Marche in central Italy. Organically farmed, this Rosso Piceno from Tenuta dell'Ugolino is a fresh, young example from the DOC. Aged in stainless steel for 6 months to retain the bright floral and fruit characteristics of the varieties, the nose is pronounced in its bouquet of violets and red fruits. Smooth on the palate, with well-integrated tannins, the fruit profile shows through even further, with a pleasant and refreshing finish.
