

Thomson & Scott Noughty De-Alcoholised Red N.V.

Producer

Amanda Thomson was voted one of Business Insider's Coolest People in Food & Drink 2019. Leading the global shift to alcohol-free drinking, Thomson recently launched game-changing Noughty, the first top quality alcohol-free, organic, vegan, halal, low sugar sparkling. Amanda is also driving the debate for greater transparency in wine production and labelling and wants consumers to push to know what's in their bottle.

Tasting Notes

Noughty Rouge is a deliciously well-balanced red wine that is deep ruby red in colour with hints of ripe red fruit, crushed black pepper, dried rose petal and candied cherries integrated with French oak tannins. Made with 100% Syrah in steel for fresh juicy flavours. Dealcoholised to 0.5% using a gently spun cone technology under vacuum and at low temperature to ensure that the wine retains its distinctive body, colour and flavour. A great alternative to any elegant alcoholic red wine.

Food

Great alternative to alcoholic red wine, enjoy on its own or with dishes with rich sauces such as pasta, or finish with a cheese course.
