

Pinot Gris JB Adam 2022

Region

The Alsace region is a thin strip of steep hillside vineyards located in northeast France. It is protected by the Vosges mountains to the west, Alsace is the driest region of France, a factor that compensates for the northerly location. Its wines were the first single varietals in France to be honoured with Appellation Contrôlée status 70 or more years ago. They are wines recognised for their rich aromatics and distinct character and are an ideal accompaniment with food

Producer

J-B Adam is one of the oldest estates in Alsace, with 19 ha of organic vineyard in the Haut Rhin village of Ammerschwir. The granite slopes of Grand Cru 'Kaefferkopf' provide the backdrop to the village and produce the estate's unforgettable wines. 400 years on, J-B Adam remains in safe family hands, guided by the 14th generation of Adams, Jean-Baptiste and his daughters Laure, Pauline and Marie. Their progressive stewardship has seen the introduction of biodynamic principals and a 'non-interventionist' regime in the cellar (a natural process of slow pressing, wild fermentations and no filtration) that ensures wonderfully expressive, clean and complex wines.

Tasting Notes

Selected from the best limestone vineyards of Eguisheim to give pure varietal character. This ripe Pinot Gris has a rich concentration of exotic spice, peach and melon on the palate backed by flinty mineral nuances. It is weighty with a smooth and supple mouthfeel, yet this richness is well balanced by a crisp acidity that all combines to create a beautiful wine which lingers on the palate.

Food

A particularly good match for smoked fish and charcuterie.
