

Le Monde Prosecco Spumante NV

Region

The Prosecco DOC covers the north-east of Italy and entire regions of Veneto and Friuli with warm and moderately continental climate. The grapes are mostly grown on the flat plain though the DOCG covers the hillier area allowing grapes to have a slower ripening period creating wines of higher acidity and more intense fruit. Glera is the Prosecco grape but the style can range from Brut Nature to Demi-Sec and Frizzante to Spumante.

Producer

Le Monde is a historical winery founded in 1970 in the sleepy village of the same name. With its 45 hectares of vineyards, it represents one of the reference producers in the territory known as Grave del Friuli. It was taken over in 2008 by the Maccan family, and the winery was subsequently entrusted to the management of the young and enthusiastic Alex, who restored the 18th century historical villa and designed the image of the new vinification cellar and winery. Today Le Monde can be considered a new generation winery not only from a technological point of view but also with regards to its innovative way of interpreting wine, where tradition finds the right combination with modernity and design elegance. The wines are highly rated, achieving the top rating in the Italian wine bible 'Gambero Rosso'. Vignetti Le Monde is considered a 'cru' since, unlike the other areas falling under the registered DO, it is characterised by calcareous clay soils which adds to the richness and longevity of the wine.

Tasting Notes

Prosecco is the fashionable dry sparkling wine produced from Glera (formerly known as Prosecco) grapes grown in the Friuli region. It is a pale and delicate wine with fine mousse and persistent fine bubbles. The bouquet is very fresh and fruity. On the palate, the lively mousse is balanced by tropical fruit flavours and hints of flowers and green apple leading to a light and fresh finish.

Food

Perfect as an aperitif or serve with hors d'ouvres and light risotto's.
