

Pisano Fabula `Late Harvest` Viognier Torrontes 2011

Producer

The Pisano vineyards belong to a group of small family vigneronos with an artisan tradition of making wines that reflect the character of the land and the people. Francesco Pisano arrived in Uruguay in 1870 from Italy (the great grandfather of the current owners). The original vineyards were planted in 1914 by his son Cesare. Today, this winemaking tradition continues and they produce some of the country's most prestigious and best wines with distinctive character oriented to the high quality, niche market. These hand crafted wines are produced in limited quantities and total production at the Pisano family cellars is only 30,000 cases per year across the range of these award winning varietals.

Tasting Notes

The Viognier and Torrontes grapes are left on the vines to mature and then harvested with low botrytis, and the wine was aged in French oak barrels for 6-8 months. The result is a wine showing brilliant golden yellow with amber tones, and aromas of ripe fruit, as well as peach and honey fragrances. Soft and fruity on the palate. Pure nectar!

Food

Summer fruit puddings and ice cream. Creme brulee and custards and blue cheeses.
