

# Viento Aliseo Viognier Dominio de Punctum 2023

## Region

The great plain of La Mancha, to the south of Madrid and east of Toledo, represents the largest viticultural area of Spain. The climate is arid, extreme in both summer and winter, tempered by strong prevailing winds. The widely planted white Arien grape variety is slowly losing favour to Tempranillo, Shiraz and Garnacha and the old wineries are giving way to gleaming modern facilities heralding a revolution for the region's winemaking.

## Producer

Dominio de Punctum is situated in the town of Las Pedroneras at the north end of La Mancha. It was founded in 2005 and run by the Fernandez family, the estate currently includes over 150 hectares of vineyards. The winery is located adjacent to the vineyards allowing to keep the maximum quality in the production of the whites, reds, young and aged wines. Since the beginning they have focused on organic and biodynamic production.

## Tasting Notes

A beautiful pale gold in colour, this Viognier is highly aromatic with perfumed, floral aromas on the nose. The palate is full of white blossom, magnolia and peach flavours, balanced perfectly with a refreshing, citric acidity. The balance of aromatic notes with the acidity leaves a clean and floral impression in the mouth.

## Food

Perfect with thai curries, ginger and lightly spiced dishes.
